

**U.S. BIKE ROUTE 35**  
 U.S. Bicycle Route 35 was officially designated on May 19, 2012, running from Indiana north to South St. Marie. The U.S. Bicycle Route System was established in 1982 for the purpose of "facilitating travel between the states over routes which have been identified as being more suitable than others for cycling."  
 Note: U.S. Bicycle Route 35 is not yet signed along the route and streets in village. Signage is proposed to be erected in the future.

**SEASONAL ROADS**  
 The Board of County Road Commissioners has established a seasonal road system pursuant to Section 54 of Act No. 31 of the Public Acts of 1951 (MCL 247.655) as amended by Act 184 of 1981. Seasonal roads are under the month of November through April and will not be maintained. When plowing on the seasonal system, the Board gives consideration for the months of November to April to the volume of motor vehicle traffic that uses the road, buildings along the road used as a principal residences, grade variations, concealed obstructions, road alignment or other topographical features that would affect snow removal operations that is normally used by the Road Commission for winter maintenance.
